The College Board and Pearson have partnered to offer ACCUPLACER®/MyFoundationsLab® — a diagnostic assessment paired with proven remediation designed to enhance college preparedness and student success.

**EFFECTIVE Assessment**

Students begin with ACCUPLACER Diagnostics. These adaptive, untimed assessments provide a detailed analysis of each student’s academic strengths and weaknesses. Available in four subjects, the suite of assessments is designed for use at both high schools and postsecondary institutions.

- Untimed and designed to take less than one hour per test
- Computer-adaptive
- Immediate results and comprehensive reporting

**Coverage**

- Reading comprehension
- Sentence skills
- Arithmetic
- Elementary algebra

**Diagnostics**

- 5 domains per test
- 8 items per domain
- Domain-level scores and proficiency statements

Since 1985, ACCUPLACER has been the industry leader, providing a state-of-the-art computer-based assessment program with time-saving and user-friendly features customized to meet your institutional needs.

**PROVEN Remediation**

Based on performance on the diagnostic, ACCUPLACER/MyFoundationsLab generates a personalized learning path for each student. This easy-to-use learning system offers targeted, just-in-time remediation mapped to the ACCUPLACER Diagnostic competencies. MyFoundationsLab provides the academic skill development students need to be successful in college.

- Individualized learning paths offer proven tutorials, instruction and practice with instant feedback
- Ideal for learners of various levels and ages; students work at their own pace on any computer with an Internet connection
- Available 24/7, detailed reporting tools allow students and institutions to easily monitor progress

**MEASURABLE Results**

ACCUPLACER/MyFoundationsLab enables learners to build and master the requisite skills to successfully pursue postsecondary degree pathways and accelerate time to completion.

This flexible system of assessment and remediation may be implemented in a variety of readiness programs and settings.

**Colleges**

- Summer bridge
- Boot camps for placement retesting
- Transitional programs for both traditional and nontraditional learners
- Academic support for existing students

**High Schools**

- Early intervention
- Credit recovery
- Dual enrollment or “middle college” programs
- GEAR UP programs
